

## Franklin 2014-2015 Homework Club

Again this year, Franklin Elementary School is fortunate to offer students Homework Club on Mondays, Tuesdays and Thursdays from 3:05 – 4:00 p.m. Each day this club is supervised by a Franklin teacher who is able to help your child with homework should they need assistance. Homework club will begin the week of Monday, October 13.

We offer 2 homework clubs – **Primary Homework Club for grades 1, 2 & 3** and **Upper Homework Club for grades 4 & 5**. The primary grade homework club will be located in the following rooms:

Mondays – Room 45  
Tuesdays – Room 13  
Thursdays – Room 12

The upper grade homework club will meet in the following rooms:

Mondays – Room 31 or 4 (signs will be posted each week indicating which room)  
Tuesdays – Room 40  
Thursdays – Room 5

These locations will be posted in your child's classroom.

The Homework Club rules are as follows:

- **Homework Club is for students who need help and are there to work.**
- **Students being disruptive to the educational process will receive a warning phone call home from the Homework Club teacher.**
- **If a student continues to be disruptive, parents will receive a phone call or a letter from the Principal letting them know that their child is no longer allowed to attend Homework Club.**

As a reminder, we are requiring students to remain at each club until the dismissal time of 4:00 p.m. If you need to get your child earlier than the dismissal time you will need to pick your child up directly from the appropriate homework club location and sign them out; **NO STUDENT WILL BE DISMISSED BEFORE 4 P.M. TO MEET A PARENT AT A DIFFERENT LOCATION.**

Your child should come to homework club prepared with pencils, paper, and homework.

Thank you for your cooperation.
