

# Computer Class

for District Parents

**FREE!**

## *Discover the World of Computers*

This computer class is especially designed for our parents with or without computer experience.

Parents will learn:

- Basic computing and word processing
- Setting-up and Using E-mails to:
  - Communicate with teachers and personal use
  - Receive important messages from school and district
- Internet Use to:
  - Browse educational sites for parents and students
  - Visit school and district websites
- Responsible use of the Internet to:
  - Talk to their son/daughter about cyber bullying and consequences
- About Illuminate's Parent Portal to:
  - Review student's progress, graded and missing assignments, tests and more!

**When:** Saturdays starting November 14-May 28, 2016

**Time:** 9:00-1:00 pm

**Where:** Santa Monica High School - Room L-202  
601 Pico Blvd. Santa Monica, CA 90405
