

SIGN UP TODAY FOR MEMBERSHIP IN THE FRANKLIN PTA!

Franklin needs your support more than ever to maintain our community connection and to continue to offer our children an excellent educational experience. By joining the Franklin Parent Teacher Association (PTA), you make a difference. Membership ensures that many activities and programs that the Franklin PTA offers continue to thrive, whether we are in person or learning from home. Membership also entitles you to vote on our budget and other important issues, and gives added strength to PTA lobbying efforts throughout the state.

Membership is just **\$10.00 per person**, and when you join this respected organization, you lend your voice to the PTA campaign. The PTA is our top nonprofit lobbying organization dedicated to the health, welfare and education of all children on a local, state and national level. Now, more than ever, we count on your membership as we work together to improve education for all of our children.

*Our goal is to have **at least two members** from each family join the Franklin PTA in this 2021-22 school year, but we'd love to see even more!*

We encourage membership from grandparents, extended family, and community members. Students are highly encouraged to join as well. We also have a yearly goal of 100% participation from our wonderful Franklin teachers, and parents can even sponsor their teacher by purchasing their membership as a gift!

By increasing membership, we are able to continue and even expand the many wonderful activities and programs provided by the PTA such as our Science Club, our Holiday and Spring Book Fairs, school field trips, technology, and our dynamic Parent Education program that offers, among other things, expert information and tips on how to help our children (and parents!) manage stress and anxiety during the school year. Our goals are easily reached with your membership.

Become a member now by logging in to [TOTEM](#) to process your membership purchases, or use the QR code on the reverse side. TOTEM is quick and easy to use and paperless!

Please note: there is a \$1 transaction fee per membership.

FRANKLIN PTA SANTA MONICA

JOIN THE 2021-22 FRANKLIN PTA AND MAKE A DIFFERENCE!

Point your camera phone at this QR code to navigate directly to our TOTEM membership page
